SUMMARY

Results-driven Front-End Developer with 2 years of experience building responsive, user-friendly, and visually appealing web applications. Skilled in developing modern websites using HTML5, CSS3, JavaScript (ES6+), and responsive design principles. Experienced in transforming UI/UX designs into functional interfaces, optimizing website performance, and collaborating effectively within development teams. Passionate about creating seamless digital experiences and continuously learning emerging web technologies.

EDUCATION

Federal College Of Animal Health and Production Technology Vom, Plateau State, Nigeria
Higher National Diploma(HND) in Computer Science
